# 1. Introduction

Welcome to the **RTS — Research Tracking System**, Qatar University's platform for managing the full lifecycle of funded research projects. This user manual provides step-by-step guidance with screenshots for the three primary user roles:

| Role                 | Responsibilities                                                 | Demo Account       |
|----------------------|------------------------------------------------------------------|--------------------|
| <b>Administrator</b> | Configuration, project oversight, reviewer assignment, reporting | admin@qu.edu.qa    |
| <b>LPI</b>           | Project registration, report submission, outcome logging         | lpi@qu.edu.qa      |
| <b>Reviewer</b>      | Proposal acceptance, progress & final report grading             | reviewer@qu.edu.qa |

All demo accounts use the password **password**.

## Administrator

System configuration, project oversight, reviewer assignment & reporting

The **Administrator** has full oversight of the Research Tracking System. Admins configure programs and grants, import projects, manage users, assign reviewers, monitor the project lifecycle, and generate reports.

**Demo login:** admin@qu.edu.qa / password

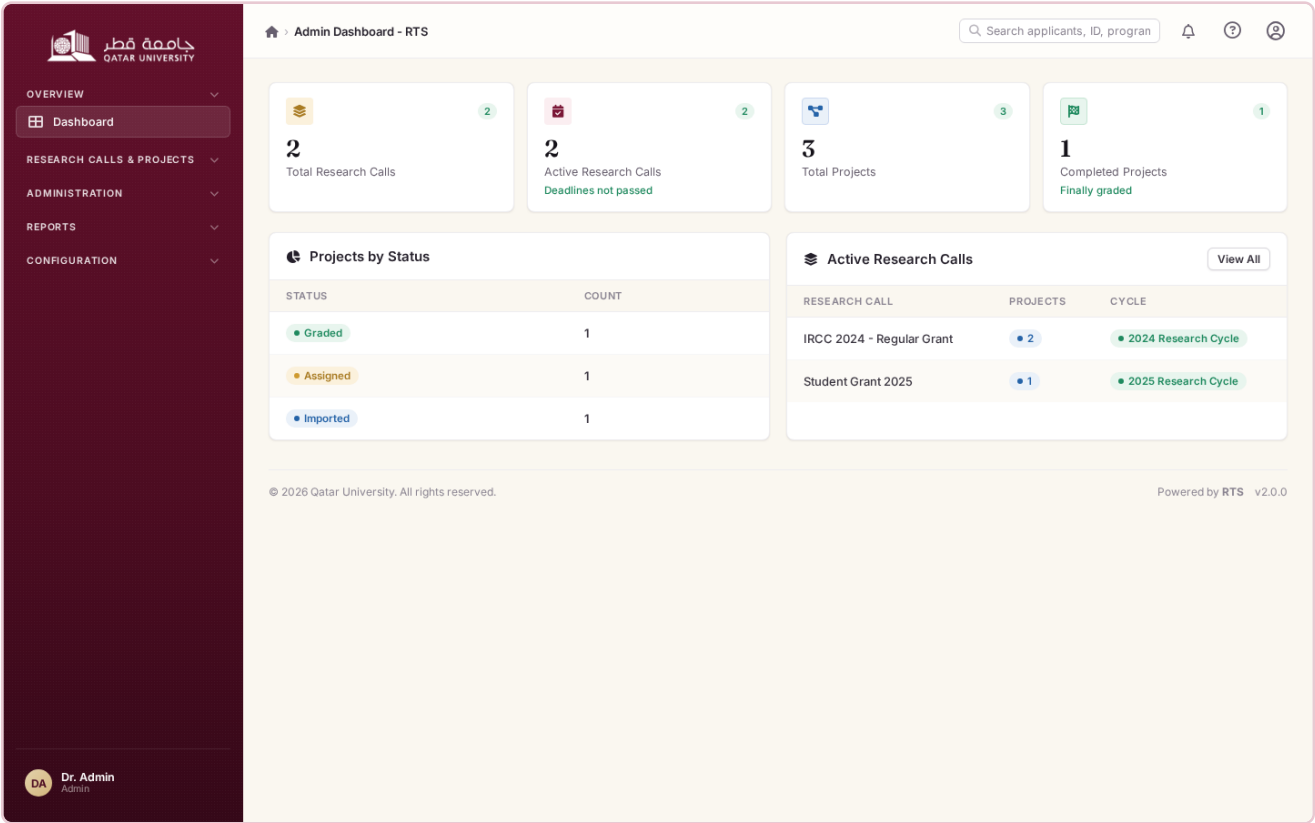

## Getting Started — Login

- 1 Open the RTS application in your web browser.
- 2 Enter your **Email Address** and **Password**.
- 3 Click the **Login** button. You will be taken to your role-specific dashboard.

**Note:** Users with multiple roles (e.g., Admin + LPI + Reviewer) can switch roles using the role switcher in the top bar.

## Key Screens

### Dashboard

The Admin dashboard shows project lifecycle status counts, active programs, cycles, and key aggregates at a glance.

## Grant Types

The screenshot shows the 'Grant Types' management page. The left sidebar contains navigation links: OVERVIEW, RESEARCH CALLS & PROJECTS, ADMINISTRATION, REPORTS, CONFIGURATION, Scores, Gauge Settings, Grant Types (selected), Research Pillars, Colleges/Institutes, and Cycles. The main content area has a header 'Grant Types - RTS' and a search bar. Below the header, there's a section titled 'Grant Types' with a description 'Manage research grant types and funding opportunities.' This section includes filters for Category (All Categories), Status (All Statuses), and a search bar. A '+ New Grant Type' button is present. The main table lists grant types with columns: CODE, GRANT TYPE NAME, CATEGORY, FUNDING AGENCY, MAX YEARS, STATUS, and ACTIONS. Two rows are visible: IRCC (Internal Research Collaboration Grant) with status 'Regular' and SGS (Student Grant Scheme) with status 'Student'. Both are 'Active'. The bottom of the page shows '© 2026 Qatar University. All rights reserved.' and 'Powered by RTS v2.0.0'.

| CODE | GRANT TYPE NAME                       | CATEGORY | FUNDING AGENCY | MAX YEARS | STATUS | ACTIONS   |

## Key Screens

### Dashboard

The screenshot displays the 'Reviewer Dashboard - RTS' interface. The sidebar on the left contains navigation links: Overview, Dashboard (selected), Announcements, and Projects. The main content area features a top navigation bar with a search bar and user profile. Below this, there are four summary cards: 'Total Assigned' (2), 'Pending' (1), 'In Progress' (0), and 'Reviewed' (1). The 'My Reviews' section shows a table of projects with columns for Project ID, Project Title, and Research Call. The 'My Performance Rating' section shows a star icon and a message: 'No ratings yet. Your performance rating per research call will appear here.' The 'Announcements' section shows a table with columns for Date, Title, and Message. The footer includes copyright information and the version number.

## Grading

The screenshot displays the 'Project Grading' interface. On the left, a sidebar contains 'OVERVIEW' and 'PROJECTS' tabs. The main area is titled 'Project Grading' and includes a search bar, a 'Report Card' button, and a 'Back to Projects' button. Below the title, there are tabs for 'Proposal', 'Commitments', and 'Outcomes'. The 'Project Proposal' section shows a placeholder for a file that does not exist. The 'Progress Report' section shows a table of progress metrics with ratings and descriptions.

| Metric                                  | Rating | Description                    |
